## SOCIAL DEVELOPMENT PLAN

#### COMPREHENSICE DEVELOPMENT PLAN 2017—2020

This Social Development Plan revolves around the overall objective of realizing the three-fold desired characteristic of Quezon City residents: **healthy, educated and secure**. These desired outcomes are consistent with, or pursuant to the relevant portions of the General Welfare Goals as embodied in Section 16 of the Local Government Code, namely, 1) preservation and enrichment of culture, 2) promotion of health and safety, 3) maintenance of peace and order, and 4) promotion of social justice. The following policies and intervention measures are a menu of solutions to sectoral issues identified in Chapter 4 and/or to fill the vision-reality gaps that surfaced in Chapter 5.

#### **GOALS, STRATEGIES AND POLICY INTERVENTIONS**

## 6.1. Goal 1: To ensure a healthy citizenry in Quezon City

**Strategy 1** : Sustain high quality health services; promote public health and sports consciousness to reduce morbidity and mortality
