EXECUTIVE ORDER NO. 23  
Series of 2019

**CREATING THE QUEZON CITY CLIMATE ACTION PLANNING (CAP)  
TECHNICAL WORKING GROUP (TWG)**

WHEREAS, Republic Act No. 9729 otherwise known as An Act Mainstreaming Climate Change Into Government Policy Formulations, Establishing The Framework Strategy and Program on Climate Change, Creating For This Purpose The Climate Change Commission, and For Other Purposes was approved into law in 2009, where, Local Government Units shall be the frontline agencies in the formulation, planning and implementation of climate change action plans in their respective areas, consistent with the provisions of the Local Government Code, the Framework, and the National Climate Change Action Plan;

WHEREAS, the Quezon City Local Climate Change Action Plan (QC LCCAP) was formulated which identified investment gaps and opportunities for climate change adaptation projects on the immediate, medium and long-term bases for a climate resilient city taking into consideration the different climate related phenomena and was adopted by virtue of City Council Resolution No. SP-7086, S-2017;

WHEREAS, Quezon City has been granted a Technical Assistance (TA) in line with the Climate Action Planning (CAP) Program of the C40 Cities Climate Leadership Group;

WHEREAS, the CAP Program lays out the strategy and specific measures, to reduce Greenhouse Gas Emissions and adapt to the impacts of climate change through the dedicated support and assistance from the C40 Cities Climate Leadership Group to meet the objectives of the Paris Agreement;

WHEREAS, the TA is a two-year engagement covering a wide range of technical support including trainings, workshops, peer-to-peer collaboration, stakeholder engagement, planning tools, research and others;

WHEREAS, the TA can assist the City to integrate initiatives particularly on climate change mitigation aspects into the City's existing LCCAP;

WHEREAS, based on the assessment of C40 Cities Climate Leadership Group, there is a need to create a dedicated Technical Working Group (TWG) to conduct detailed review and assessment of the possible Programs, Projects and Activities (PPAs) as well as provide recommendations to further enhance the City's LCCAP and other existing relevant plans.
