WHEREAS, in 2005, Quezon City Council passed Ordinance No. SP-1479, S-2005 entitled "An Ordinance Declaring a Moratorium in the Franchise of Public Utility Tricycles in Quezon City and for Other Purposes". The passage of the said Ordinance was due to the proliferation of tricycles in all streets and roads of Quezon City, encroaching even the main thoroughfares, congesting the road network and complicating further the already complex traffic situation of the City;

WHEREAS, after the passage of Ordinance No. SP-1479, S-2005, there are still some tricycle associations, such as the herein petitioners, which have pending applications for franchise before the Tricycle Franchising Board (TFB). With that, they still exist and operate for the main reason that their existence and operation are very much necessary in their respective areas, otherwise transportation would be paralyzed;

g      n      jk      ~~h~~      f

WHEREAS, Section 3 of Ordinance No. SP-1479, S-2005, states that the "Committee on Transportation of the City Council shall conduct a study on the present state of operation of public utility tricycles in the City in aid of legislation with the end in view of coming up with an ordinance that will rationalize the authorization and deployment of tricycles in the roads, streets and thoroughfares in Quezon City";

WHEREAS, Section 4 of Ordinance No. SP-1479, S-2005 further states that the "City Planning and Development Office, in coordination with the Committee on Transportation, shall likewise conduct a study on the operation of tricycles and other transportation modes, the City's transport corridors and road networks, traffic demands and projections and other relevant economic and transport matters, with the end in view of coming up with a comprehensive transportation/traffic plan for Quezon City";

WHEREAS, in 2014, the Quezon City Council enacted Ordinance No. SP-2337, S-2014, otherwise known as the Quezon City Tricycle Management Code of 2014, recognizing the integral role of tricycles in the public transport system of the City and the Metropolis as a whole. The franchising and operation of tricycles shall be controlled and regulated with the end in view of effectively managing these vehicles for basic services;

WHEREAS, in order to address the proliferation of colorum or illegal units, the Quezon City Tricycle Management Code of 2014 implemented "One-Strike Policy" against apprehended colorum tricycles;

WHEREAS, through the enactment of Republic Act No. 7160, otherwise known as the Local Government Code of 1991, certain functions of the Department of Transportation and Communications (DOTC) were transferred to the Local Government Units. Thus, Section 458 thereof states that:

xxx xxx xxx

- (3) Subject to the provisions of Book II of this Code, enact ordinances granting franchises and authorizing the issuance of permits or licenses, upon such conditions and for such purposes intended to promote the general welfare of the inhabitants of the city and pursuant to this legislative authority shall:

xxx xxx xxx

- (VI) Subject to the guidelines prescribed by the Department of Transportation and Communications, regulate the operation of tricycles and grant franchises for the operation thereof within the territorial jurisdiction of the city;

WHEREAS, in 1992, the Quezon City Council passed Ordinance No. SP-15, S-1992 entitled "Ordinance Franchising and Regulating the Operation of Motorized Tricycles in Quezon City to be known as the 'Quezon City Tricycle Ordinance of 1992'", but due to the dramatic change contributed by the operation, regulation and demographic aspects of the City through time, said Ordinance was therefore considered outdated, thus the need to update the same;

WHEREAS, pursuant to the mandates provided for by Ordinance No. SP-1479, S-2005, the City Planning and Development Department (CPDD) and the Committee on Transportation of the Quezon City Council conducted a tricycle study, using an on-board passenger origin-destination (O-D), and tricycle mapping survey, using an on-board data collection device equipped with sensor and Global Positioning System (GPS), which is capable of recording passenger boarding and alighting times and locations;

WHEREAS, as a result, the CPDD submitted the final report on the Phase 2 program of the Tricycle Route Measured Capacity (RMC) Study for Unserved Routes in Quezon City;

WHEREAS, it is the primordial concern of the Quezon City Government to update the existing Routes/Zones of tricycles in Quezon City and uphold the livelihood of the tricycle sector by granting herein tricycle associations legitimate franchises;

WHEREAS, initially, the "Petition for Accreditation of Barangay South Triangle Tricycle Operators and Drivers Association (BST TODA), to operate motorized tricycles-for-hire to fly the route from Samar Street to Panay Avenue, Sct. Borromeo Street, Bohol Street, Sct. Torillo Street, 11<sup>th</sup> Jamboree Street, Sct. Bayoran Street, Sct. Madrinan Street, Sct. Ybardolaza Street, Barangay South Triangle vice versa, District IV, This City" for the aforesaid TODA was duly confirmed by the City Council during regular session on December 5, 2000;

WHEREAS, the first update of the existing RMC of Barangay South Triangle TODA was the provision of tricycle commuter services within the jurisdiction of Barangay South Triangle, District IV, Quezon City through Quezon City Tricycle Franchising Board (QCTFB) Resolution No. 00-057, entitled "Petition for the Approval of one hundred (100) units Route Measured Capacity of Barangay South Triangle Tricycle Operators and Drivers Association (BST TODA)";

*(Handwritten signatures and marks at the bottom of the page)*

WHEREAS, the second update of the existing RMC of Barangay South Triangle TODA was the provision of additional sixty-eight (68) motorized tricycles-for-hire to operate for the aforesaid TODA through Quezon City Resolution No. SP-2400, S-2004 entitled "A Resolution Granting an Additional Sixty-Eight (68) Route Measured Capacity (RMC) for the Operation of Motorized Tricycle-For-Hire within the Route covered by Barangay South Triangle Tricycle Operators and Drivers Association (BST TODA), District IV, This City";

WHEREAS, perusal of the Petition reveals that BST TODA is registered with the Securities and Exchange Commission (SEC) and is a Civil Society Organization accredited by the Quezon City Council and the Barangay and Community Relations Department (BCRD);

WHEREAS, the BST TODA Resolution adopted by its Board of Directors on January 19, 2022 seeks the legalization of its existing 100 colorums;

WHEREAS, the Sanggunian of Barangay South Triangle endorsed to the Tricycle Franchising Board (TFB) the request for accreditation of 100 tricycle units of the BST TODA for the granting of regular franchises;

WHEREAS, the District IV TODA Presidents Federation, Inc. likewise endorsed to the TFB the request for the grant of regular franchises to additional 100 tricycle units of BST TODA, in support of the application for issuance of franchise for certain Tricycle Operators and Drivers Association, Inc. (TODA) in District IV, Quezon City;

WHEREAS, the Tricycle Regulation Division (TRD) of the Traffic and Transport Management Department, in coordination with Barangay South Triangle, transmitted the attached list of members of BST TODA or operators of the 100 tricycle units seeking to operate additional Route Measured Capacity (RMC) to underserved areas in this City;

WHEREAS, the Petitioners have complied with all the necessary requirements prescribed by law, ordinance and administrative issuances.
