

TERMS OF REFERENCE (TOR)
"FOR THE CORRECTIVE REPAIR AND MAINTENANCE SERVICES
INCLUDING SPARE PARTS WITH LABOR OF CITY-OWNED LIGHT
VEHICLES"

I. BACKGROUND

Currently, the Quezon City Government (QCG) has a fleet of motor vehicles consisting of various types of service light-vehicles used in its daily operations to the service of its citizenry. These vehicles were acquired on various dates and, accordingly, need repairs and maintenance services.

Because of its limited capacity in terms of manpower, tools and equipment, technical capability and suitable work facility to provide maintenance services to its fleet of motor vehicles, the QCG is seeking a more reliable, qualified, and capable local motor shop to cater its needs for repair and maintenance services, including supply and delivery of the related spare parts.

II. DEFINITION OF TERMS

1. **Quezon City Government (QCG)** – refers to the administrative body responsible for governing and managing the affairs of Quezon City, which is a highly urbanized city in the Philippines.
2. **Corrective Maintenance** – refers to maintenance services that rectify and repair defective functional systems of a vehicle which may be discovered while performing routine inspection, regular preventive maintenance or emergency, sudden, and un-predetermined vehicles' malfunctions due to wear and tear and/or damages resulting from a vehicular accident.
3. **City-Owned Light Vehicles** – refers to motor vehicles issued by the QCG to various City Offices and Departments.

III. PROJECT RECIPIENT

City Offices and Department whose approved budget for repair and maintenance of City-Owned light vehicles are transferred to City General Services Department (CGSD).

IV. PROJECT DESCRIPTION

Presently, repairs and maintenance services, including supply and delivery of the related spare parts, are funded and procured individually by each department/office and contracted to and catered by different service providers. The QCG now intends to centralize the funding, procurement and administration of these services of Motorpool Division, City General Services Department (CGSD).

This Project deals primarily with Corrective maintenance services which, by its nature or characteristics, number of units of motor vehicles, and/or exact time of need, cannot be accurately pre-determined.

V. PROJECT OBJECTIVES

To procure our vehicles' repair and maintenance service's needs, including the related spare parts, from a more reliable, qualified and capable local motor shop under a more efficient and cost-effective scheme, thereby establishing a well-maintained, more dependable fleet of motor vehicles in the service of its people.
