## ILLUSTRATION MODEL OF THE PROPOSED QCU GALA

### **Cut and Style of the Upper Garment**

The cut and design were taken from the Rayadillo Uniform worn by the Philippine Revolutionary Army under Gen. Emilio Aguinaldo. Simple and less flamboyant than other gala uniforms, it features a tunic worn untucked and over the pants, held in place by a sash, adorned with functional brass buttons running down the center coat opening. Front breast pockets with flaps are secured by brass buttons as well, to show simplicity and balance of the tunic design. Shoulder straps with red piping, and with a high, closed collar is typical of military uniforms of the era

16

## **ILLUSTRATION MODEL OF THE PROPOSED QCU GALA**

**Blue Pants with Red Piping** – Represents the blue and red colors of the Quezon City Seal, Blue for the noble pursuit of liberty and equality, Red for the courage and valor of our ancestors for their fight for our freedom and liberty.
