	I. Hardware a. Welding simulator b. Augmented Reality welding helmet, that uses cameras for better recognition of the environment i. The AR welding helmet can be used by instructors and students with glasses. ii. The coupon may be grabbed and handled as in real life for visual inspection. c. Real welding torches for welding in GMAW, FCAW G/S, SMAW and GTAW made by any recognized brand in US or Europe d. Five educational magnetic welding coupons: Overlapped plate, V-Butt plate, T-Angled plate to plate, V-Butt pipe, T-Angled pipe to plate. e. Work stand included for positioning the welding coupons in every position from 1F-6F, 1G-6G and overhead welding. - II. Education Software - a. Software for welding in Augmented Reality in carbon steel b. Welding processes included: GMAW (Axial spray, short circuit, globular), FCAW G/S, GTAW and MMA. - c. There is no limit to the number of exercises and practices that can be created from the simulator. - d. Welding positions included: PA, PB, PC, PD, PF/PG, PE, PH/PJ, HL045/JL045, 1F, 2F, 3F, 4F, 1G, 2G, 3G, 4G, 5G, 5F, 6G, 6F. e. Coupon thickness in educational coupons f. Electrode stick / filler rod diameter available i. GMAW in carbon and stainless steel -

	ii. SMAW in carbon g. Sounds recorded out of real welding testing. h. Possibility to modify technical parameters like voltage, amperage, shielding gas and wire speed during the welding practice and see the effects on the weld. i. Capable of configuring multi-pass welding practices in different process, i.e. Two passes welding practice in GMAW + GTAW. j. The students and instructors to create their own welding practices both from the simulator and the computer. The simulator has an open practice module with no restriction and all parameters open. k. All simulators are connected and synchronized automatically with the instructor's laptop for sharing their practices videos, data on progression and reports. l. After each exercise the student get a personal assessment that is synchronized automatically with the instructor's PC, without the need of using any kind of USB or similar device. m. Software available on purchase and subscription base models. n. Possibility to do tele training mode, where the students and instructors are in different rooms but everything is synchronized III. Learning Management System

TERMS AND CONDITIONS

- 1. ALL PRICES INDICATED HEREIN ARE VALID, BINDING AND EFFECTIVE AT LEAST WITHIN THIRTY (30) CALENDAR DAYS FROM DATE OF RECEIPT.
2. AWARDEE shall be responsible for the source(s) of its supplies/materials/equipment and shall make deliveries in accordance with the schedule, quality and specification of the award and purchase order.
3. AWARDEE shall pick up purchase order(s) issued in its favor within three (3) days after receipt of notice to that effect.
4. Subject to the provisions of the preceding paragraph, where AWARDEE has accepted a purchase order but fails to deliver the required product(s) within the time called for in the same order, the delivery period may be extended a maximum of fifteen (15) calendar days under liquidated damages to make good the delivery.
5. delivery within the extended period, the subject purchase order shall be cancelled and the award for the undelivered balance, withdrawn from that AWARDEE.
6. When the supplier fails to satisfactorily deliver goods/services under the contract within the specified delivery schedule, inclusive of duly granted time extensions, if any, the supplier shall be liable for damages for the delay and shall pay the procuring entity liquidated damages, not by way of penalty, an amount equal to one-tenth (1/10) of one percent (1%) of the cost of the delayed goods/services scheduled for delivery for everyday of delay until such goods/services are finally delivered and accepted by the procuring entity concerned.
7. Rejected deliveries shall be construed as non-delivery of product(s)/item(s) so ordered and shall be subject to liquidated damages, subject to the terms and conditions prescribed under paragraph 4 hereof.
8. Supplier shall guarantee its deliveries to be free from defects. Any defective item(s)/product(s), therefore that maybe discovered by the Quezon City Government within three (3) months after acceptance of the same, shall be replaced by the supplier within seven (7) calendar days upon receipt of a written notice to that effect.
9. All duties, excise and other taxes and revenue charges, if any, shall be for the supplier's account.
10. As a pre-condition to payment, IMPORTANT DOCUMENTS specifically showing the condition and serial numbers of the imported equipment purchased should be submitted by the supplier to the Quezon City Government.
11. All transactions are subject to applicable withholding taxes in accordance with existing BIR rules and regulations.
12. Supplier shall furnish the End-user through the City General Services Department stockroom, the articles, described above;
13. The Quezon City Government reserves the right to accept or reject delivered articles if found not in conformity to the specifications, terms and conditions stipulated.
14. Provisions contained in Title VI, Book IV of the Civil Code of the Philippines on Sales are hereby incorporated and made as an Integral part hereof.
15. This contract shall also serve as Notice to Proceed, to take effect on 11 JUL 2024 and to expire on -
