QUEZON CITY GOVERNMENT MENTAL HEALTH SERVICES

I. RATIONALE

Mental health services are crucial for promoting well-being, preventing crises, reducing stigma, enhancing productivity, improving relationships, addressing systemic issues, promoting equity, and supporting recovery. Investing in mental health services benefits individuals, communities, and society at large. In alignment with the current administration's 14-point Executive Agenda to "Provide Better Health Care" to Quezon City citizens, the Quezon City Government intends to enter into an agreement for the provision of essential mental health care services for Quezon City Hall officials and employees until December 31, 2025.

II. PROJECT DESCRIPTION

This project is a comprehensive mental health support initiative designed to provide accessible, confidential, and compassionate assistance to Quezon City Government employees experiencing emotional distress or mental health challenges. It offers both chat-based and helpline services, staffed by trained mental health responders, ensuring a safe space for individuals to express themselves, seek guidance, and receive the support necessary to enhance their mental well-being.
