V. PROJECT STANDARDS & REQUIREMENT

The following are the minimum qualifications and requirements for the service provider:

Track record

 The service provider shall have at least three (3) years actual experience in aircon installation, repair and maintenance of air conditioning units/systems.

Organization

The service provider shall submit its detailed organization chart which shall indicate an established organizational structure of technical personnel to show its capability to undertake the project.

Manpower

The service provider shall provide at least ten (10) technical personnel wearing proper personal protective equipment and using appropriate equipment in conducting the general cleaning.

General cleaning and repair services to be rendered shall be supervised by an accredited Safety Officer or duly licensed Mechanical Engineer who is required to provide Certificate of Registration or license, whichever is applicable.

VI. WARRANTY

The service provider shall provide three (3) months warranty of workmanship for the maintenance of the air conditioning units or system.

VII. APPROVED BUDGET FOR THE CONTRACT (ABC)

The City has set an ABC of Eleven Million Six Hundred One Thousand Six Hundred Twenty Pesos Only (P 11,601,620.00).

VIII. BASIS OF PAYMENT

Two (2) times payment upon completion of the scope of works.

IX. PENALTIES FOR BREACH OF CONTRACT

Failure to deliver the services according to the standards and requirements set by the City shall constitute an offense and shall subject the Service provider to penalties and/or liquidated damages pursuant to RA 9184 and its revised Implementing Rules and Regulations.

X. CANCELLATION OR TERMINATION OF CONTRACT

The guidelines contained in RA 9184 and its revised IRR shall be followed in the termination of any service contract. In the event the City terminated the Contract due to default insolvency, or for cause, it may enter into a contract pursuant to RA 9184 and its IRR.

XI. DELIVERY PERIOD

The project of two (2) time preventive maintenance has duration until December 31, 2025, upon issuance of the Notice to Proceed.
